Understanding Discounts There are times when certain items are on sale or discount. This is true for hotels and motels... only certain rooms are offered at special rates during certain times.

Based Upon Availability Coupons will generally be accepted. The times when the coupons may not be valid would be:

Holidays - Before, during and/or after holidays.

Special Events - During events such as racing events, sports events, concerts, etc.

Peak Periods - When a large number of travelers visit an area.

Call Before You Travel To make sure a discount room is available, call ahead and ask if the Travel Saver Rate is available and you that would like to use the coupon. They will be happy to let you know if the coupon rate is available.

Florida Travel Saver is not responsible for the availability or non-availability of discounted room nights. Florida Travel Saver assumes no responsibility for any errors, omission or products misrepresented in this book.
